

Bridal Crisis Kit

Murphy's Law states that if anything can go wrong, it will, at the worst possible moment. But you can break Murphy's Law on your wedding day by being prepared for unwanted emergencies. By putting together a crisis kit, you can save your time, energy and nerves should something start to go wrong.

Here's a starter list of supplies:

- Fingernail polish; one bottle in your color and one bottle of clear to fix runs in stockings
- Extra stockings
- Anti-static cling spray
- Mirror, brush, comb, hairspray, bobby pins, safety-pins
- Deodorant and talcum powder
- Extra blush, waterproof mascara, eye shadow, lipstick, lip gloss
- Spray-on spot remover
- Hair dryer and curling iron
- Sanitary needs
- Telephone list of your photographer, florist, caterer, limousine service, videographer, etc. Also include your second and third choices of these services in case one cancels at the last minute.

Some of these items are available in travel sizes for convenience. This crisis kit also makes a creative bridal shower gift.
